Chiefs Report

March 2022

The month of March had slightly lower call volumes than last year with 54 calls for service (60 calls in 2021, and an average of 47 in March over the last three years). We provided mutual aid one time sending our tender to East Pierce for a residential fire. Our priority response time was 5:31 and we had nine BLS transports.

Captain Thor and Chief Cramer continue to be heavily involved with the Buckley and Browns Point Academies. Buckley is scheduled for their first Live Fire training April 10th and Browns Point is scheduled for May 14th. Both academies are still slated to graduate in June. At the station, we completed our Wildland, Red Card refresher and have begun the initial Red Card training with 16 new members. We hope to have a robust team this year to deploy across the State. We are also working on a plan to implement some significant changes to the Pierce County EMS protocols. These changes have a soft start of April 15th and a hard start of July 1st and include many changes such as new BLS medications for breathing treatments, nausea, and pain.

Aside from regular maintenance and duties, Operations has been focusing heavily on the staffing schedule, assisting with training, and supervising and mentoring the Team Leads. Staffing continues to be thin, however with Chief Cramer and Captain Thor filling in the gaps we have maintained adequate staffing. We have also had several members step up and work additional shifts. Notably, Miller Gates worked 43 shifts from January through March, 31 over the minimum requirements. Annual reviews on all members are nearly complete with the Team Leads reviewing their teams, Chief Cramer reviewing the Team Leads and Chief Thirkield reviewing the command staff.

The Administrative Division completed and submitted the second Covid-19 PA Grant for this year along with the HB 1168 Grand for a brush truck. It looks as though the Covid-19 Grant will cover the overtime costs we have incurred as it relates to Covid-19, which will be a huge relief on our budget. With Amy Devine going on Maternity leave in April we are planning to bring on a person temporary to assist in the office one day a week. We have a back-office remodel and paperwork project that will be extremely helpful for this person to assist with.

The focus of April will continue to be on the new EMT-only and recruits providing them everything they need to be successful in their trainings and an asset to the department.

Kira Thirkield
Fire Chief
